

IN RE LUIS GONGORA

STATEMENT OF [REDACTED]

DATE: NOT INDICATED

COURT CASE NO.: N/A

POLICE INCIDENT REPORT NO.: OIS [REDACTED]

INSP. PON: Hey [REDACTED]?

[REDACTED]: Yep.

INSP. PON: Hey, it's Inspector Pon from the District Attorney's Office again.

[REDACTED]: Oh, hi. How's it going?

INSP. PON: Good. Hey, one, one other question for you. Sorry, you got a minute?

[REDACTED]: I have just like if it's just one or two minutes.

INSP. PON: Yeah, just really quick.

[REDACTED]: Okay.

INSP. PON: Um, the, the girl in the video ...

[REDACTED]: Uh huh.

INSP. PON: ... she said she spoke to somebody at the, the scene while it was occurring and the other person says they saw a knife. We just want to make sure that, that was you or somebody else. You, you said you didn't ...

[REDACTED]: No, that ...

INSP. PON: ... see anything.

[REDACTED]: No, definitely not me.

INSP. PON: Okay. So you, you didn't see ... you remember saying anything about a knife or anything?

[REDACTED]: Definitely didn't see one and didn't say that either.

1 INSP. PON: Okay. Do you remember anybody else that might
2 have said that that was there? In the doorway or inside your
3 building or ...

4 [REDACTED]: I don't know. I mean ... um, I, I ... I'm almost
5 positive it wasn't anyone from uh from our building, but I, I
6 can't be 100% sure.

7 INSP. PON: Okay. But you don't remember ... do you
8 remember hearing that, anybody saying that while you ...

9 [REDACTED]: No.

10 INSP. PON: Okay.

11 [REDACTED]: No. I, I think, you know, I think the thing
12 that um, that might have happened is like I, I heard that from
13 the police officer right; like I told you he drove down, he was
14 speaking to the outreach team and saying "Oh, did someone call
15 about guy with a knife."

16 INSP. PON: Uh-huh.

17 [REDACTED]: Right?

18 INSP. PON: Uh-huh, uh-huh.

19 [REDACTED]: And that's what ... I told that to my co-
20 workers, oh what, what happened; oh, I guess, I guess there was a
21 guy with a knife and I'm sure ... I don't ... I'm not sure but I
22 could ...

23 INSP. PON: That makes sense.

24 [REDACTED]: It stands to reason that she could have heard
25 that ...

26 INSP. PON: Sure.

27 [REDACTED]: ... and that's how she got the idea, not that
28 someone saw it, just that someone called and described it.

1 INSP. PON: Called and described it. Yeah, that makes
2 perfect sense.

3 [REDACTED]: Yeah.

4 INSP. PON: Okay. Great. Hey thanks for your help. I
5 appreciate it.

6 [REDACTED]: Okay. No problem.

7 INSP. PON: Thank you. Bye.

8 [REDACTED]: Bye-bye.
